- (b) the appointed proxy is not the chair of the meeting; and
- (c) at the meeting, a poll is duly demanded on the resolution; and

EXPLANATORY STATEMENT

Purpose of this Explanatory Statement

This Explanatory Statement is provided to Shareholders of the Company to explain the resolutions to be put to Shareholders at the Annual General Meeting to be held at CBP Lawyers, Level 35, Waterfront Place, 1 Eagle Street, Brisbane Qld 4000 on Friday 27 November 2015 commencing at 10.00 am AEST.

The Directors recommend Shareholders read the accompanying Notice of Meeting and this Explanatory Statement in full before making any decision in relation to the resolutions.

Receive and Consider the Financial Statements

The *Corporations Act 2001* (**Corporations Act**) requires the Financial Report which includes the Financial Statements, Directors' Declaration, Directors' Report and the Auditor's Report to be laid before the Annual General Meeting. There is no requirement either in the Corporations Act or in the Constitution of the Company for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Accordingly, the Company's Financial Report is placed before the Shareholders for discussion and no voting is required for this item of business.

Shareholders will have a reasonable opportunity at the Meeting to ask questions and make comments on these reports and on the business and operations of the Company.

Resolution 1: Adoption of Remuneration Report

The Remuneration Report of the Company for the period ended 30 June 2015 is set out in the Directors' Report of the 2015 Annual Report to Shareholders (**Remuneration Report**).

The Remuneration Report sets out the Company's remuneration arrangements for the executive and non-executive Directors. A reasonable opportunity will be provided for discussion of the Remuneration Report at the meeting. In addition, section 250R(2) of the Corporations Act requires that Resolution 1 be put to the vote. However, the vote on this resolution is only advisory and does not bind the Company or its Directors.

For proxies without voting instructions that are exercisable by the Chairman, the Chairman intends to vote undirected proxies in favour of each resolution. If you wish to appoint the Chairman as your proxy with a direction to vote against, or to abstain from voting on an item of business, you should specify this by completing the appropriate 'Against' or 'Abstain' box on the proxy appointment form. The Chairman is deemed to be appointed where a signed proxy form is returned which does not contain the name of the proxy or where the person appointed on the form is absent.

Resolution 2 – Re-Election of Mr Neville Miles as a Director

In accordance with the rotational retirement provisions, Mr Miles is due to retire at this meeting and being eligible, offers himself for re-election at this meeting.

Mr. Miles is Singapore based, where he is currently COO of Invicara, an IT company providing solutions to the building industry. Mr Miles has strong corporate experience in business strategy, strategy execution and marketing.

Mr Miles has extensive senior management experience, having run a variety of businesses for Siemens internationally for over 15 years. These include large operational businesses in a variety of fields and in a number of regions globally, including China. Most recently, he was head of SmartGrid Applications, Asia Pacific, where he dealt with Energy Storage and Distribution (industrial battery storage and eCar) initiatives.

The Board supports the election of Mr Miles.

Resolution 3 – Re-Election of Mr Garry Plowright as a Director

In accordance with the rotational retirement provisions, Mr Plowright is due to retire at this meeting and being eligible, offers himself for re-election at this meeting.

Mr. Plowright is an experienced executive with over 25 years' experience in commercial and technical development within the mining and exploration industry, working for some of Australia's leading resource companies.

He had been involved in gold, base metals and iron ore exploration and mining development projects in Australia and worldwide.

He has a strong background in strategic management, business planning, building teams, capital/debt raising, and experience with a variety of commodities.

The Board supports the election of Mr Plowright.

Resolution 4 – Ratification of Share placement

The purpose of Resolution 4 is for Shareholders to approve, pursuant to Listing Rule 7.4, the previous allotment and issue of Shares, which will otherwise count towards the Company's 15% equity issue capacity under Listing Rule 7.1.

Listing Rule 7.1 provides that (subject to certain exceptions) prior approval of Shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the company during the previous 12 months, exceed 15% of the number of the Shares on issue at the commencement of that 12 month period.

The issue of the Shares set out below did not exceed the 15% threshold. However, Listing Rule 7.4 provides that where a company subsequently approves an issue of securities, the issue will be treated as having been made with approval for the purpose of Listing Rule 7.1, thereby replenishing that company's 15% equity issue capacity and enabling it to issue further securities without Shareholders' approval up to that limit.

On 26 June 2015, the Company issued 20,000,000 Shares to sophisticated investors to raise \$1,200,000.

Resolution 4 proposes the approval of the above placement and issue of securities for the purpose of Listing Rule 7.4. The effect of Resolution 4, if approved by Shareholders, is that the Shares issued under the placement will not count towards the Company's 15% issue capacity.

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided with regard to Resolution 4:

| | |
|---|--|
| Name of person to whom Shares securities were issued | Professional or sophisticated investors who participated in the placement |
| Date of issue | 26 June 2015 |
| Number of securities issued | 20,000,000 Shares |
| Issue price of securities | \$0.06 per Share |
| Terms of issue | The Shares rank equally with all existing fully paid ordinary shares on issue |
| Use of funds | The funds raised were used for drilling on the Company's McIntosh Flake Graphite Project, to repay convertible notes and for general working capital |

Directors' recommendation:

The Directors recommend that Shareholders approve Resolution 4.

Resolution 5 – Approval of 10% Placement Facility

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued Share capital through placements over a 12 month period after the AGM (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company is seeking a mandate to issue securities under the additional 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

The Board believes that this Resolution 5 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution 5.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an AGM.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of this document, has on issue only 1 existing quoted class of Equity Securities, being Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an AGM may issue or agree to issue, during the 12 month period after the date of the AGM, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

'A' is the number of Shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2;
- (ii) plus the number of partly paid Shares that became fully paid in the 12 months;
- (iii) plus the number of fully paid Shares issued in the 12 months with approval of holders of Shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without Shareholder approval;
- (iv) less the number of fully paid Shares cancelled in the 12 months.

'D' is 10%;

'E' is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this document, the Company has on issue 215,454,247 Shares. The Company therefore has a capacity to issue:

- (i) 9,318,137 Equity Securities under Listing Rule 7.1; and
- (ii) Nil Equity Securities under Listing Rule 7.1A as prior approval expired on 28 November 2014.

As part of this Notice, in Resolution 4 the Company is seeking Shareholder ratification of the prior issue of 20,000,000 shares issued on 26 June 2015 under Listing Rule 7.1. **If Resolutions 4 and 5 are approved by Shareholders**, the Company will have the capacity to issue:

- (i) 32,318,137 Equity Securities under Listing Rule 7.1; and
- (ii) 21,545,425 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section (c) above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the AGM at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- (ii) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

Listing Rule 7.1A

The effect of this Resolution 5 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- b) If this Resolution 5 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this document.

The table shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Table 1.

| Variable "A" in Listing Rule 7.1A.2 | | Dilution | | |
|--|----------------------------|--|------------------------|--|
| | | 3 cents 50% decrease in Issue Price | 6 cents Issue Price | 12 cents 100% increase in Issue Price |
| Current Variable A 215,454,247 Shares | 10% voting dilution | 21,545,424 Shares | | |
| | Funds raised | \$646,363 | \$1,292,725 | \$2,585,451 |
| 50% increase in current Variable A 323,181,370 Shares | 10% voting dilution | 32,318,137 Shares | | |
| | Funds raised | \$969,544 | \$1,939,088 | \$3,878,176 |

The table has been prepared on the following assumptions:

- (i) No Options are issued and exercised into Shares before the date of the issue of the Equity Securities.

- (ii) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iii) The table shows only the effect of issue of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (iv) The issue price is \$0.06, being the closing price of the Shares on ASX on 20 October 2015.
- c) The Company will only issue and allot the Equity Securities during the Placement Period. The approval under Resolution 5 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) for cash consideration, in which case the Company may use the funds raised towards making (or to securing the right to make) one or more acquisitions and/or to further its existing projects; and/or general working capital; or
 - (ii) non-cash consideration for the acquisition of (or securing the right to make acquisitions of) new projects and investments or to further its existing projects. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) the effect of the issues of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this document but may include existing substantial Shareholders and/or new Shareholders who are not related parties or Associates of a related party of the Company.

Further, if the Company is successful in acquiring new assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments.

- e) A voting exclusion statement is included in this document. At the date of this document, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in this document.
- f) The Company previously obtained Shareholder approval under Listing Rule 7.1A on 28 November 2013, which approval expired on 28 November 2014.

In accordance with Listing Rule 7.3 A.6 the total number of Equity Securities issued in the 12 months preceding the date of this document is Nil representing Nil% of the Equity Securities on issue at the commencement of the 12 month period.

The Company has issued the following Equity Securities in the 12 months preceding the date of this document:

Directors' recommendation

The Directors recommend that Shareholders approve Resolution 5.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Resolution 6 – Approval of Employee Share Option Plan

The Board considered that it was desirable to establish an employee share option plan, pursuant to which Directors, employees and contractors may be offered the opportunity to be granted options to subscribe for Shares (**Options**). Accordingly, the Board adopted the ESOP on 21/10/2015.

The ESOP provides Directors, employees and contractors with an opportunity to participate in the Company's future growth and gives them an incentive to contribute to that growth. The Board considers that the approval of the ESOP will enable the Company to retain and attract skilled and experienced directors, employees and contractors and provide them with the motivation to make the Company more successful.

A copy of the ESOP will be made available for inspection at the Company's registered office before the Meeting and at the Meeting. A summary of the terms of the ESOP is set out in Schedule 1 to this document.

The Board seeks the approval of Shareholders for the ESOP in accordance with the ASX Corporate Governance Council's Principles and Recommendations.

In addition, approval is sought under Listing Rule 7.2 Exception 9(b), which provides an exemption from the Listing Rule 7.1 15% annual limit on securities issued under an employee incentive scheme provided, within 3 years before the date of issue, shareholders have approved the issue of securities under the plan. In the absence of such approval, the issue can still occur, but will be counted as part of the Listing Rule 7.1 15% limit which would otherwise apply during a 12 month period.

Therefore, to allow the Directors to issue securities pursuant to the ESOP as an exception to Listing Rule 7.1, Shareholder approval of the ESOP is being sought pursuant to Listing Rule 7.2 Exception 9(b).

The Company will seek prior Shareholder approval in accordance with the Corporations Act and the Listing Rules prior to issuing any Options under the ESOP to Directors or their associates.

The following information is provided to Shareholders for the purposes of Listing Rule 7.2 Exception 9(b):

- no Options have been issued yet under the ESOP;
- a summary of the terms of the ESOP is set out in Schedule 1 to this document; and
- a voting exclusion statement for Resolution 6 is included in this document.

The Directors recommend that Shareholders approve Resolution 6.

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the following information:

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the following information:
